Overall Length:

8.000 inches

Overall Width:

6.000 inches

Material Thickness:

0.040 inches

Product Name:

Bracket

Aircraft Location:

Strap instl-inbd e model strut repair

Aircraft Mission Design Series:

Kc-135e

Special Features:

301 cres steel sheet per mil-s-5059; delete existing 66-10703 if installed -16 is a replacement; this part not required if 66-21533-1 is installed at this location; dim are stock matl

Material:

Steel comp 301

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
