Overall Length:

48.000 inches

Overall Width:

12.000 inches

Material Thickness:

0.063 inches

Side For Which Designed:

Left side

Product Name:

Shield

Aircraft Location:

Shield, lh aft

Aircraft Station Number:

Sta 1184.797

Aircraft Mission Design Series:

C-17

Special Features:

Dims are stock matt

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13, t0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
