Overall Length:

4.000 inches

Overall Width:

3.300 inches

Material Thickness:

0.050 inches

End Application:

Chinook

Product Name:

Hinge, jettison tube support

Aircraft Mission Design Series:

Chinook

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
