Overall Length:

7.001 inches

Overall Width:

1.660 inches

Product Name:

Hinge fitting

Aircraft Location:

Hinge fitting-wing leading edge flap

Aircraft Mission Design Series:

C-135

Special Features:

Matl 4340 steel per mil-s-5000; forge per mil-f-7190 grade a; normalize and temper to rh c33 ; heat treat to 180, 000 to 200, 000 psi; finish f-1.20 all over and srf-12.207 at faying surface as indicated, magnetic inspect after plating per mil-i-6868, bake after plating; dim are stock matl

Material:

Steel comp 4340

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
