Product Name:

Support - line block tfe cloth lined

Aircraft Mission Design Series:

B1-b acft

Special Features:

Used as line block support tfe cloth lined; heat treat t6511

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
