Overall Length:

25.850 inches

Product Name:

Chord upper

Aircraft Location:

Elevator

Aircraft Station Number:

Fs75.38

Aircraft Mission Design Series:

C-135

Special Features:

Heat treat t6

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-283/0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
