**Product Name:**

Channel, stiffner

**Aircraft Location:**

Trailing edge, elevator top

**Aircraft Mission Design Series:**

C-135 acft

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362-t4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
