Product Name:

Channel, stiffner

Aircraft Location:

Trailing edge, elevator top

Aircraft Mission Design Series:

C-135 acft

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362-t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
