Product Name:

Strake assembly

Aircraft Location:

Aerodynamic inlet, engine, fmi

Aircraft Mission Design Series:

C-17

Special Features:

Composite construction with polyurethane foam core per dms2481 type 1 class 8 and carbon fiber plys per dms2483 type 1 class 1

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
