**Product Name:**

Strake assembly

**Aircraft Location:**

Aerodynamic inlet, engine, fmi

**Aircraft Mission Design Series:**

C-17

**Special Features:**

Composite construction with polyurethane foam core per dms2481 type 1 class 8 and carbon fiber plys per dms2483 type 1 class 1

**Material:**

Plastic polyurethane

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11500
