Overall Length:

148.000 inches

Overall Width:

43.000 inches

Product Name:

Skin

Aircraft Location:

Skin troop compt, panel no 3

Aircraft Station Number:

Fs1744.000 to fs1964.000

Aircraft Mission Design Series:

C-5

Special Features:

Engineering order no 2004c0001; matl al7475-0, stm07-120 cond t761; eo creates new p/n for replacement skins, skins are to be more stress corrosion resistant than existing skins; dim are stock matl

Material:

Aluminum alloy 7475

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
