Overall Length:

24.250 inches

Overall Width:

4.500 inches

Material Thickness:

0.010 inches

Product Name:

Duct

Aircraft Location:

Duct assembly-cooling air nea compressor

Aircraft Mission Design Series:

C-17a

Special Features:

Matl duct end al6061-t6, qq-a-250/11 temp t6 and sheet al textured dms 2015; duct assembly includes -13 duct, -5 flange, -11 duct end and -15 duct end; dim are stock matl

Material:

Aluminum alloy 6061

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
