**Overall Length:**

182.000 inches

**Overall Width:**

63.000 inches

**Product Name:**

Skin

**Aircraft Location:**

Skin-upper lobe

**Aircraft Station Number:**

Fs1964.000 to fs2273.000

**Aircraft Mission Design Series:**

C-5a

**Special Features:**

Bmatl al 7475-0 cond-t761, stm07-120; dim are stock material; new p/n for replacement skins for c-5a model, new skins to be more stress corrosion resistant than existing skins; the -121a replaces -103a

**Material:**

Aluminum alloy 7475

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
