Overall Length:

182.000 inches

Overall Width:

63.000 inches

Product Name:

Skin

Aircraft Location:

Skin-upper lobe

Aircraft Station Number:

Fs1964.000 to fs2273.000

Aircraft Mission Design Series:

C-5a

Special Features:

Bmatl al 7475-0 cond-t761, stm07-120; dim are stock material; new p/n for replacement skins for c-5a model, new skins to be more stress corrosion resistant than existing skins; the -121a replaces -103a

Material:

Aluminum alloy 7475

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
