End Application:

A-10 aircraft thunderbolt ii

Product Name:

Seal

Aircraft Location:

Duct seal, nacelle

Aircraft Station Number:

Sta 155.315

Aircraft Mission Design Series:

A-10 acft

Special Features:

Seal assembly -3, -4, -5, -10 and detail -45 are interchangeable, heat treat t6; c/o 2 retainers

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
