**End Application:**

A-10 aircraft thunderbolt ii

**Product Name:**

Seal

**Aircraft Location:**

Duct seal, nacelle

**Aircraft Station Number:**

Sta 155.315

**Aircraft Mission Design Series:**

A-10 acft

**Special Features:**

Seal assembly -3, -4, -5, -10 and detail -45 are interchangeable, heat treat t6; c/o 2 retainers

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/13 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
