**Overall Length:**

2.600 inches

**Overall Width:**

2.500 inches

**Material Thickness:**

0.032 inches

**Product Name:**

Bulkhead

**Aircraft Location:**

Tab spar, elevator

**Aircraft Mission Design Series:**

Kc-135

**Special Features:**

DIM.-AR-EST-OCKM

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 t4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
