**Overall Length:**

3.200 inches

**Overall Width:**

3.100 inches

**Material Thickness:**

0.032 inches

**Product Name:**

Bulkhead

**Aircraft Location:**

Tab spar, elevator

**Aircraft Mission Design Series:**

Kc-135

**Special Features:**

Dim. Are stock material; finish per f-2.115

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 t4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
