Overall Length:

3.330 inches

Overall Width:

2.780 inches

End Application:

H-60 series helicopter. Fitting for blade storage.

Hole Quantity:

5

Side For Which Designed:

Right side

Aircraft Location:

Right hand tail cone.

Aircraft Station Number:

WI220-7

Aircraft Mission Design Series:

H-60 series helicopter.

Surface Treatment Specification:

Mil-a-8625 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-a-8625 spec.
