Overall Length:

86.000 inches

Overall Width:

56.000 inches

Thickness:

0.063 inches

Product Name:

Outboard accessory compartment door skin nacelle

Aircraft Location:

Compartment door

Aircraft Mission Design Series:

A-10 acft

Special Features:

Heat treat 0

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
