Overall Length:

11.600 inches

Overall Width:

6.700 inches

Material Thickness:

0.032 inches

Aircraft Location:

Elevator nose

Aircraft Station Number:

Es40.92

Aircraft Mission Design Series:

C/kc-135 acft

Special Features:

C/o 1 rib, 1 nose rib, 4 rive blind brazier hd; u/o 5-96190, opposite -2

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
