Overall Length:

8.500 inches

Overall Width:

5.100 inches

Material Thickness:

0.040 inches

End Application:

Kc-135

Product Name:

Rib instl-elevator nose

Aircraft Location:

Elevator nose

Aircraft Station Number:

Es175.32

Aircraft Mission Design Series:

Kc-135

Special Features:

Opposite -2; c/o rib and elevator nose rib; heat treat 0; lh

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
