Overall Length:

9.000 inches

Overall Width:

5.300 inches

Material Thickness:

0.025 inches

End Application:

Kc-135

Product Name:

Rib instl

Aircraft Location:

Elev.Nose

Aircraft Station Number:

Es144.64

Aircraft Mission Design Series:

Kc-135

Special Features:

Clad sht alum; opposite -1; dim. Are stocksize; c/o rib, nose rib, rivet-blind; heat treat t6 & 0; finish f-2.115

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
