End Application:

F-15e

Product Name:

Cover, access

Special Features:

Alclad cond 0; c/o cover, rivets, platenuts, gang channel; heat treat t62; dim. Are stocksize; used on antenna, esb closure; 13 x 9 x 0.080

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531h0
