Overall Length:

2.830 inches

Overall Width:

2.750 inches

Material Thickness:

0.063 inches

Product Name:

Clip

Aircraft Location:

Former-empennage support beam

Aircraft Mission Design Series:

F-15

Special Features:

Dim. Are stock material

Material:

Nickel alloy 718

Material Specification:

Ams5596 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
