**Overall Length:**

6.500 inches

**Overall Width:**

0.900 inches

**Material Thickness:**

0.090 inches

**End Application:**

Kc-135

**Product Name:**

Filler

**Aircraft Location:**

Rib install. Interspar

**Aircraft Station Number:**

Es25.58 to es27.45

**Aircraft Mission Design Series:**

Kc-135

**Special Features:**

Finish 2.30; heat treat t3; dimensions are stocksize; used on -17 & -18

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-355 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
