Overall Length:

3.690 inches

Overall Width:

0.880 inches

Product Name:

Arm, wing launcher

Aircraft Location:

Center fairing door

Aircraft Mission Design Series:

P3k orion

Special Features:

Size Is6051 x 4

Material:

Aluminum alloy

Material Specification:

Qq-a-250/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
