Overall Length:

7.000 inches

Overall Width:

5.000 inches

End Application:

F/a-22 raptor

Product Name:

Splice strap-aft, lru 23

Aircraft Mission Design Series:

F-22a emd

Special Features:

Part number 5hw82922-105 is the opposite configuration; material 7050-t7451 aluminum plate

Material:

Aluminum alloy 7050

Material Specification:

Ams 4050 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
