Overall Length:

19.000 inches

Overall Width:

7.000 inches

End Application:

F/a-22 raptor

Product Name:

Splice strap-aft, lru 2 machined

Aircraft Mission Design Series:

F-22 emd

Special Features:

Part number 5hw82921-102 is the opposite configuration; material 6061-t651 aluminum plate

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
