Overall Length:
66.000 inches
Overall Width:
64.000 inches
Material Thickness:
0.032 inches
Aircraft Location:
Cargo door
Aircraft Station Number:
Sta575.50 to sta 630.00
Material:
Aluminum alloy 2024
Material Specification:
Qq-a-362, temp t4 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
Filg:
A11400
