End Application:

C-17a

Product Name:

Cowling assembly

Aircraft Location:

Aft fixed

Aircraft Mission Design Series:

C-17a

Special Features:

C/o track, frame assembly, housing, cover assembly, beam assembly, brackets, pins, clips, cover, doubler, formers, radius block, panel and hardware

Material:

Titanium alloy and stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
