Overall Length:

10.000 inches

Overall Width:

2.300 inches

Material Thickness:

0.079 inches

Aircraft Location:

Switch support

Aircraft Mission Design Series:

E-3a

Special Features:

Opposite -9; nha 204-56014

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
