**Product Name:**

Spar

**Aircraft Location:**

Lower speed brake

**Aircraft Mission Design Series:**

A-10a

**Special Features:**

Nha 160d712171; heat treat t76511

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-00200/15 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
