**Overall Length:**

70.500 inches

**Overall Width:**

15.500 inches

**Thickness:**

0.125 inches

**End Application:**

B-1b spares

**Aircraft Location:**

Spoiler

**Aircraft Mission Design Series:**

B-1b

**Special Features:**

Replaces -006; nha l1600002; heat treat t73; opp -007

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-25/12 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
