**Overall Length:**

9.000 inches

**Overall Width:**

3.000 inches

**End Application:**

F-22 raptor

**Aircraft Location:**

Center frame

**Aircraft Mission Design Series:**

F-22

**Special Features:**

Dim. Are stock material

**Material:**

Titanium alloy

**Material Specification:**

Ams-t-9046 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
