**Overall Length:**

40.000 inches

**Overall Width:**

20.000 inches

**Thickness:**

0.250 inches

**End Application:**

F-22 raptor

**Aircraft Location:**

Inlet duct, outboard

**Aircraft Mission Design Series:**

F-22

**Special Features:**

Dim. Are stock material

**Material:**

Aluminum alloy 7475

**Material Specification:**

Ams2770 t76 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
