End Application:

Uh-2a/b seasprite helicopter vibration damper

Product Name:

Block

Aircraft Mission Design Series:

Uh-2a/b

Special Features:

0.78 by 1.78 by 1.900

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-327, cond t651 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
