Overall Length:

58.000 inches

Overall Width:

56.000 inches

Thickness:

0.063 inches

Product Name:

Door assembly - nose landing gear, aft (regulated)

Aircraft Location:

Nose landing gear

Aircraft Mission Design Series:

C-130

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
