Overall Length:

17.400 inches

End Application:

Kc-135

Product Name:

Chord upper

Aircraft Location:

Outboard aileron

Aircraft Station Number:

Ws835.10

Aircraft Mission Design Series:

Kc-135

Special Features:

Bac 1505-100022; t6 temp; extru; finish f-2.30; used on -10, -9; dimensions are stocksize

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
