Overall Length:

3.500 inches

End Application:

Kc-135

Product Name:

Stiffener

Aircraft Location:

Outboard aileron

Aircraft Station Number:

Ws835.10

Aircraft Mission Design Series:

Kc-135

Special Features:

T4 temp; finish f-2.30; dimensions are stocksize; and10134-0602; used on -9; opposite -14

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
