Overall Length:

4.500 inches

End Application:

Kc-135

Product Name:

Stiffener

Aircraft Location:

Spar instl outbd aileron

Aircraft Mission Design Series:

Kc-135

Special Features:

And 10134-0702 x 4.5 2024-t4 extr; finish f-2.30

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
