**Overall Length:**

4.500 inches

**End Application:**

Kc-135

**Product Name:**

Stiffener

**Aircraft Location:**

Spar instl outbd aileron

**Aircraft Mission Design Series:**

Kc-135

**Special Features:**

And 10134-0702 x 4.5 2024-t4 extr; finish f-2.30

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-200/3 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
