End Application:

Kc-135 acft

Special Features:

Access fuel; m/f die cast 69-11004-2; oval-23 bolt holes with nuts and nut retainers

Material:

Aluminum alloy

Material Specification:

Ams4290 assn standard 1st material response and ams4291 federal specification 2nd material response

Specification Or Standard:

A360.0 alloy and a380.0 alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531m0
