Overall Length:

37.380 inches

Overall Width:

9.500 inches

Material Thickness:

0.055 inches

End Application:

B-1b

Aircraft Mission Design Series:

B-1b

Special Features:

Dim are stock size; nha I1804001 serial no. A/c 19 and sub1

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
