Overall Length:

2.000 inches

Overall Width:

2.000 inches

Material Thickness:

0.040 inches

Product Name:

Gusset

Aircraft Location:

Longeron-pylon apron

Aircraft Mission Design Series:

C-5

Special Features:

Dim. Are stock material

Material:

Titanium alloy

Material Specification:

Mil-t-9046 per ds30009 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-t-9046 spec.
