Overall Width:

2.900 inches

Material Thickness:

0.080 inches

Product Name:

Clip

Aircraft Location:

Rib installation-rudder nose

Aircraft Station Number:

Rudder sta. 175.91

Aircraft Mission Design Series:

Kc-135

Special Features:

Dim are stock material; m/f: clad 7075, t6, 0-temp; fin: srf-2.115

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
