**End Application:**

B-52

**Product Name:**

Channel truss tie

**Aircraft Location:**

Truss instl bomb bay

**Aircraft Station Number:**

Bomb bay sta 1025.75

**Aircraft Mission Design Series:**

B-52

**Special Features:**

Stock size bac 1493-318 alter 7.0 long; heat treat t6 clad

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-287 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
