End Application:

B-52

Product Name:

Channel truss tie

Aircraft Location:

Truss instl bomb bay

Aircraft Station Number:

Bomb bay sta 1025.75

Aircraft Mission Design Series:

B-52

Special Features:

Stock size bac 1493-318 alter 7.0 long; heat treat t6 clad

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
