**End Application:**

Ch-53d aircraft

**Hole Quantity:**

2

**Product Name:**

(inavy) bracket profile

**Aircraft Mission Design Series:**

Ch-53d aircraft

**Special Features:**

T shaped bracket, with tubular structure welded to flat base having two mounting holes; and tubular section has a pin hole

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11800
