End Application:

Ch-53d aircraft

Hole Quantity:

2

Product Name:

(inavy) bracket profile

Aircraft Mission Design Series:

Ch-53d aircraft

Special Features:

T shaped bracket, with tubular structure welded to flat base having two mounting holes; and tubular section has a pin hole

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
